

Job Title	Event First Aider
Accountable to	Event Service
Employment type	Self Employed
Salary	£13.45 per hour

Background

Mersey Medical is a patient focused and driven company that is seeking driven individuals to continue our strive for excellence. Founded in 2016, Mersey Medical has become a well-regarded organisation with high standards for patient care and event medical cover. With a dedicated leadership team, Mersey Medical ensures that patients are at the heart of the services we deliver.

Role Summary

As an Event First Aider, you will help us to keep crowds safe by providing first aid to the public at events. Within this role you will use your first aid knowledge to treat the public while practicing your first aid skills and could progress on to more advanced clinical roles.

Job Summary

- Treating patients within the agreed scope of practice and making referrals for advanced medical support in line with the Pre-Hospital Early Warning Score as appropriate.
- Provide assistance to colleagues, Healthcare Professionals and the wider emergency services where needed.
- Act in a professional manner always whilst representing Mersey Medical.
- Maintain a high standard of appearance, fitness for role and wear the Mersey Medical Uniform with pride ensuring compliance with the standards of dress policy.
- Understand and follow all role relevant policies of Mersey Medical.
- Responsible for ensuring all equipment is fit for purpose, clean, stocked and stored in line with Mersey Medical policy.
- Always maintain patient and client confidentiality.
- Ensure a high standard of paperwork, including patient report forms.
- Attend any training events as deemed appropriate by Heart Medical to maintain competency and personal development for role. Act as a mentor to new members of the team as required.
- To perform any other duties commensurate with these responsibilities, the grade of the post and skill and qualifications of the post-holder.
